Student Voices in Higher Education Conference

Explorance is excited to host the Student Voices in Higher Education conference, now in its fourth year, which provides a unique space for academic, professional, and administrative teams to share best practice, insights, and lessons learned from student voice initiatives, and ensure we all take active responsibility to gather and truly listen to student voices.

This conference brings together contributors and delegates with responsibility for strategic planning, teaching and learning, student experience, satisfaction and voice, quality assurance and enhancement, as well as course and module evaluation.
